

INJURY AND HEALTH URGENT CARE

AUTHORIZATION FOR RELEASE OF MEDICAL RECORDS, ASSIGNMENT OF BENEFITS, AND POWER OF ATTORNEY

MEDICAL RELEASE

You are authorized to release any information you deem appropriate concerning my physical condition to any insurance company, attorney or adjuster in order to process any claim for reimbursement of charges incurred by me.

ASSIGNMENT OF BENEFITS

I authorize and instruct my attorneys and/or insurance company to make direct payment to you in your name only of any sum I now or hereafter owe you by my attorney out of the proceeds of any settlement of my claim, and/or by any insurance company obligated to make payment to me or you based in whole or in part upon the charges made for your services.

In the event any insurance company obligated by contractual agreement to make payment to me or to you for the charges made for your services refuses to make such payment upon demand by you, I hereby assign any action I may have against such company and authorize you to prosecute said action either in my name or your name as you see fit. However, it is understood that until all reasonable efforts have been made to collect the sums due from the insurance company (or companies) contractually obligated, you will refrain from attempts and efforts to collect amounts owed directly from me. I understand that whatever amounts you do not collect from insurance proceeds (whether it be all or part of what is due) I personally owe you.

POWER OF ATTORNEY

I, the undersigned, do hereby appoint Injury and Health Urgent Care, LLC and any of its duly authorized agents to serve as lawful attorney invested with all powers and authority necessary to endorse and cash any checks, drafts or money orders which are made payable to the undersigned or as co-payee with Injury and Health Urgent Care, LLC when said payments are due for services rendered on behalf of the undersigned by the clinic.
